HUBSCRUB CLEANING SERVICES

The Owl Home Medical offers a quick and safe way to clean and sanitize your medical wheelchairs, walkers, and other non-powered medical equipment.

HUBSCRUB's innovative spray systems delivers thorough cleaning by applying spray pressure to equipment surfaces in the front, back, top, bottom and sides.

HUBSCRUB uses EPA registered infection control chemicals to combat germs and diseases. Corrosion is avoided by utilizing a rust inhibitor and drying agent.

Cleaning rate is just \$7.00 per item
